WORK EXPERIENCE

Production Intern, Sensitech *Beverley, MA* (Jun 2019 – August 2019)
Produced spec notes for monitor units correct to the job traveler for each order I was responsible for. Labeled and spec noted each individual monitor unit for shipping. Programmed monitor units by scanning and entering units into a proprietary database. Packed programmed units into shipping boxes to be sent out to the customers. Implemented a more time efficient production process that increased overall production.

Sales Associate, TJ's Variety *Peabody, MA* (Jul 2017- Jan 2019)
Balanced books, inventory sold each day, and money left at the end of the day. Maintained security system, cameras, credit card machine, and other technology. Communicated with vendors to keep inventory filled.

Clinical Aide Assistant, Bridgewell Mental Health Clinic *Danvers, MA* (Jul 2017- Aug 2017)
Organized patient information, prescriptions, and appointments into a database from handwritten files. Took phone calls as a receptionist and scheduled appointments for patients. Scanned and faxed documents to other clinics and hospitals.

VOLUNTEER SERVICE

Youth Mentor and Tutor, Bird Street Community Center *Dorchester, MA* (Sept 2018- Jun 2019)
Tutored elementary, middle, and high school students in Math, Science, and ELA. Created and supervised youth physical activity programs.

Assistant for ESL computer class, Pathways *Lynn, MA* (Jul 2016 - Aug 2018)
Tutored ESL students in operating Microsoft Windows and Office tools (Word, excel, PowerPoint etc.).

Food Server, My Brother's Table *Lynn, MA* (Aug 2016 – Aug 2018)
Prepared and served food to local homeless people in my hometown.
